About Warsaw

Poland is located in the heart of Europe and has a fascinating history. Its capital, Warsaw, is a thriving, dynamic city with plenty to offer the visitors. It has a cosmopolitan feel, a vibrant nightlife and a great wealth of culture including theatre productions, opera performances and film premieres.

Spending a few days in Warsaw will be a worthwhile experience as the city offers diversity and richness and there is something for everyone. Historic palaces and churches meet modern architecture, and cozy cafes compete with fashionable music-filled clubs.
